"I am now in Winona Lake, Indiana, visiting the Harpers (John '43 and Nellie '44). They have a new baby girl, Margaret Alice, which makes quite a family to care for. Dorothy Ann and David are just darling, and getting into mischief every waking hour. I am really enjoying my visit, spoiling the children and visiting all the other Bryan folks. I am having dinner with the Markens (Kenneth '47) tonight. I want to visit some of the classes at the Seminary. I must get home in time to speak in chapel at Kings College and in their F.M.F. meeting at night. Three weeks from tomorrow, Lord willing, I'll be sailing for Peru. Last week-end I went to the Mid-Missions conference in Flint, Mich.

Johnny '45 and Wilda ex'48 Quimby were there, with Judy. . . I saw Manford Cain '43 shortly before he sailed. He was visiting folks in my church. He sailed on the Queen Mary with Connie Olds and Neva Jones. (While still in Winona Lake) I saw Ed Lieb '48 at prayer meeting and the Ragers '47 and Millers '46."

Later word from Flossie indicates that she sailed on the S. S. Santa Margarita, a Grace Line ship from Pier 58, North River, New York. Now we are anxious to hear about the voyage, sights, etc.

"On the seventh of the month an acute attack of appendicitis landed me in the operating room of the local hospital with an emergency, which by God's grace proved a success. . . In answer to prayer God worked a miracle and enabled us to purchase a brand new car for our deputation work which has already begun."

"One of the teachers at the high school said when she met me on the street yesterday, 'That program this morning was so good. Those kids were so nice. I really enjoyed it.' She is a Christian and she appreciated the friendliness of the kids. In our house the group was a blessing too. I especially appreciate the time of prayer we had after breakfast Monday morning. All I can say is a great big 'thanks for coming'. May the Lord's blessing be rich on all of you as you travel next summer. I'm not wishing I were going because the Lord has something else now, but you can count on my prayers that you all will be clothed with humility and endowed with the power of the Holy Spirit."

(Dean Ryther and the ladies' quartette were with Cathy for high school, and in one of the town recently. The group reports of the Lord's and also of Cathy's wonderful group, including fried

services on the radio, in the local churches in Morris-- came back with glowing blessing on the meetings-- job as hostess to the chicken and hot rolls!)

"The Chinese New Year has just passed but celebrations continue. The new year was celebrated on the twenty-ninth of January according to our calendar. This is the biggest celebration of all the year in China, much preparation is made toward it and on that day people do not work. This is the opportune time for preaching in the surrounding villages. For approximately three weeks after the new year people have leisure such as they have at no other time of the year. Continue to pray for me as I continue language study and do some speaking."

"Here we are in Lima and not for vacation nor from a desire for a change, although we have been guilty of wishing both at times. We are here to have the children's health attended to and Saturday Karin and Eddie will be operated on probably (tonsils). They have had tonsillitis and persistent colds all year. We want to thank you who have remembered us at Christmas and at other times."

"It will soon be eight years since I left Bryan and I have not been back since. Needless to say I have been homesick many times in those years. Especially so during the last couple of weeks since Dad wrote of the nice time he had there. Yesterday we had the joy of greeting Bruce '47 and Wilma ex'49 Rosenau at the airport as their plane stopped for a half hour before going on to Bangui. They seemed to be quite well and happy to be on the field after their nine months in France. I imagine there will be quite a reunion when they arrive at Fort Sibut, Bruce's old home."

NEWS FROM THE MAILBAG

"On behalf of the newly-organized alumni association of Northern Illinois, I am very happy to send this offering, taken at our get-together March 19. Since there are so many Bryanites in this area, we decided we had better have an organization, too. Miss Rebecca Peck '40 was elected president, Mr. Robert Harper, ex '45, vice-president (also program chairman) and Gloria Cloer '48, secretary-treasurer. . . We had lots of fun at the Birch home. Miss Peck, Hazel Nell Geiger '47 and Esther Humberd ex'49 came from Chicago, also Willis Jones '48, and Elaine Christy '48 came from Indiana. The ones already here in Wheaton were present, too, all except Kermit Zopfi ex'50 and Joyce Giles ex'50: Mary Garber ex'50, Mrs. Garber, Herbert Birch ex'50, oh yes Jack Lacey ex'49 also came from Chicago, Don Vittner ex'50, Pearl Wallace ex'50, Bob Harper ex'45 and his wife, and of course, Alice '45 and George '48 Birch, David Garber and myself. I think the slides made us all homesick for Bryan. . . they are beautiful."

In the February 26th Brethren Missionary Herald, there is an article entitled "The Place of Greek in the Christian College" by John Harper '43. While John is attending Grace Seminary in Winona Lake, he is also teaching Greek in the Collegiate Division of the Seminary.

Rev. Lowell Hoyt '42 led a two weeks meeting in Jenners, Penna. Brethren church last month.

Edward Miller '46 is editor of the yearbook published by the Seniors at Grace.

"Bryan holds a big future for many of the students who will soon step from its halls. Little does one realize this until he is out in the world facing life and the terrible sin-sick world. I enjoy very much reading NEWSETTE and BRYANETTE and look forward to their arrival in the mail."

"Arise and Build" is the title of an article in a recent Brethren Herald, written by Rev. Gerald W. Teeter '48, pastor of the First Brethren Church, Covington, Ohio.

"My work and duties at home and the church keep my time well filled. There is always much to do and so little time to do it. Isn't that always the way? And still Bryan progresses, grows and enlarges her borders. The news is always eagerly received and taken in. My thoughts are with you more often than you know. Ruth Dawson '40 and I have been seeing each other infrequently, always times of blessing and fun. Just about time for Campus Cleanup, is it not? Shall I send some Sloan's Liniment?

"I am presently enrolled in the college of Pharmacy of the U. of Ky. from which I received a degree in Pharmaceutical Chemistry with another college in 1948. Thus Louisville is my address. My regards come with this letter to your 'Bryan Family!'"

Roy Capshaw ex'50

"As Spring approaches, my thoughts and prayers turn especially towards Bryan Hill and the blessings which the Lord poured out on me there. Bryan becomes dearer to me each day and Mrs. Capshaw and I quite often find ourselves wishing that we could visit the campus before the spring term ends. It will probably be impossible for us to make the visit this spring, but our prayers and hopes shall continue to be with you. Cheri Deane is in perfect health and is really growing fast."

Audrey E. Roos ex'48 Gabriel St. Louis, Missouri

3/14/49

"I have a very warm spot in my heart for Bryan, and wouldn't want to miss a sheet of news. Please note the change of name. Formerly--Miss Audrey E. Ross; now Mrs. Robert W. Gabriel."

Helen Limburg Philpot ex'36 Shelbyville, Tennessee

"The family's fine--we are all working hard. . . Susan is a big girl of 4 mos. now-- Barry is well again and has been able to attend school since January."
